RATES

The Authority's sanitary sewer systems services approximately 700 accounts. Residential accounts are charged a sewer service rental rate of \$231.25 per calendar quarter OR \$925.00 annually. In addition, new customers to the sanitary sewer system pay a one time tapping fee of \$9,700.00 per equivalent dwelling unit (EDU) and commercial customers are charged additional EDU's based on estimated flow.

The governing body of the Authority consists of five members appointed by the Board of Supervisors. One Supervisor is appointed to the Authority Board along with four other individuals who are township residents.

The Township Authority was first organized under the Municipalities Authorities Act in 1993. The annual operating budget for the authority is approximately \$227,000.00. All revenues received from sanitary sewer customers are used by the Authority to provide sanitary sewer service. The costs associated with the sanitary sewer system include day-to-day operations, interest and principal on outstanding debt and necessary maintenance.

The Washington Township Municipal Authority is hard at work maintaining and upgrading the current system in place and providing for the needs of its current customers, future development within our community and protection of our natural environment.

WATER INFORMATION

The Washington Township Municipal Authority provides water for the Victoria Village Subdivision, adjacent to the Borough of Bally. WTMA purchases the water for this subdivision from the Borough of Bally. Price for water is 27.00 per quarter for 10,000 gallons and \$2.70 for each 1,000 gallons over the minimum. There are approximately 109 connections.
